Features

GP

Product Features :

- *Designed to reduce stress and keep cows in comfort, when rising or lying down*
- *Produced from virgin Natural rubber compound to prevent absorption of moisture*
- *The solid edge of the mat prevents the dirt seeping from outside and accumulating under the mat and hence maintains cleanliness*
- *Enhanced comfort due to the soft texture leads to higher milk production due to relaxation enjoyed by the cows*
- *Reduced veterinary costs due to reduction of stress and additional comfort*
- *Slope at the back end facilitates the easy draining of urine*
- *Underside with the sturdy studs provides spongy effect which reduces stress while standing*
