COMFORT

Slope

Clips

Grip

Bottom

- Designed to reduce stress and keep cows in comfort, when rising or lying down
- Produced from virgin Natural rubber compound to prevent absorption of moisture
- The solid edge of the mat prevents the dirt seeping from outside and accumulating under the mat and hence maintains cleanliness
- Enhanced comfort due to the soft texture leads to higher milk production due to relaxation enjoyed by the cows
- Reduced veterinary costs due to reduction of stress and additional comfort
- Slope at the back end facilitates the easy draining of urine
- Underside with the sturdy studs provides spongy effect which reduces stress while standing
